NEWS FOR FAMILY AND FRIENDS OF THE UNVERFERTH HOUSE | FALL 2018

2018 Unverferth House Golf Outing

Thank you to everyone who came out and supported the House for our 24th annual Golf Outing. We could not have done it without our sponsors, Ohio State University Heart and Vascular Center, Ohio State Richard M. Ross Heart Hospital and Unverferth Management.

The weather delayed us a bit in the morning, but all of our guests enjoyed cocktails and conversation. Once the weather let up enough for our avid golfers to tee off, everyone enjoyed a great day of golf.

Thank you to our wonderful volunteers who helped the outing run smoothly and to all of the businesses and individuals for their support.

We would like to thank Don Dwyer, Jim Nein, Mike Smith and Ralph Williams for once again generously donating the first-place prize money in memory of John Kelley. A big thank you to Pete Fox from Merrill Lynch and Kelli Lynn for truly making this event the success that it is. We hope you all will join us in 2019 for another day of fundraising and fun!

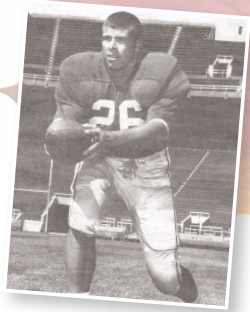

Loved Ones Give Back

The House has truly been blessed by so many families over the course of 29 years. We have so many families that give back to the house in different ways. Recently, Jill Drummer stayed at the House for several months while her husband was at The Ohio State Ross Heart Hospital. Jill is a gifted artist and decorator. During her time in apartment G, she painted the entire apartment, organized the kitchen, painted original artwork for the wall and truly made the apartment a home. Sadly, Jill lost her husband, but she wanted to continue to give back in his memory. She came back to the House and redecorated apartment H, making it a home away from home for others. She posted a short story of her time and about her husband along with a special piece of art with hearts for all to enjoy and be encouraged by.

Jill already has plans for apartment E. Thank you, Jill!
