NEWS FOR FAMILY AND FRIENDS OF THE UNVERFERTH HOUSE | WINTER 2024

## Eighth Annual John Hicks Unlimited Love/Unverferth House Event Presented by Walmart

On Tuesday, Nov. 21, the eighth annual John Hicks Unlimited Love/Unverferth House event was held at Villa Milano, in Columbus. The event raised more than \$82,000! We'd like to thank our chairman John Johnson Sr. and everyone who served on the committee. Thanks goes out as well to Steve Greenberg for the flyer design, Tom Skladany for printing all of the programs, Randy DePuy from Picture America for donating his time to take the photos of our guests with Archie, all the winners of the live and silent auctions, Mike Yearling of Mills James and his staff for coordinating the program for the evening's audio and visuals and the staff at Villa Milano. We appreciate all the time and effort they put in to making this event so successful.

The crowd was treated to a new format this year – a fireside chat hosted by Jeff Logan. Bobby Carpenter, Ryan Miller, Rick Middleton and Archie Griffin entertained us all with their experiences. We can't thank these speakers enough for taking time out of their Thanksgiving and Big Game week to be with us. As our AMAZING and always-entertaining emcee for the evening, Jeff raised thousands of dollars during the live auction.

We'd like to thank Walmart for once again being a presenting sponsor of the event! Thanks as well to Transystems and PWC for being major sponsors. We appreciate all of the corporations that sponsored tables and individuals who purchased tickets.

The House is grateful to everyone who helped make this a success.

*Thank you!*

We hope you'll join us again Tuesday, Nov. 26. Go Buckeyes!
